RYE, NH – On September 10, 2009 NextEra Energy Seabrook Station held its annual Golf Invitational to benefit United Way of the Greater Seacoast (UWGS) at the Abenaki Country Club in Rye, NH. 136 golfers participated, raising \$30,000 to benefit the Seacoast community. This year's tournament winners were Jeremy Mizzau and Ed Metcalf on their Chas. G. Allen company-sponsored team.

For the past 20 years, Seabrook Station has raised almost \$4 million in support of United Way's work to improve Education, Income and Health on the Seacoast. Peter Thomas of United Way of the Greater Seacoast stated that, "Seabrook Station's long history of community involvement and generosity is a shining example of what it takes to create an exceptional community. We are very lucky to have so many generous companies on the Seacoast with such a strong commitment to finding lasting solutions to the community's most pressing needs."

Along with NextEra Energy Resources, tournament event sponsors were: Ames, Areva, GE Energy, Westinghouse and Williams Plant Services.
